Delectable, tantalizing and fulfilling – these are just some of the words used to describe West Virginia’s diverse selection of restaurants. From down-home country favorites such as fried potatoes and corn-on-the-cob, to international cuisine served with fine wine, West Virginia is full of mouth-watering aromas and scrumptious flavors. Whatever your taste or dining style, discovering and sampling the Mountain State’s rich food heritage will without a doubt satisfy your cravings.

The West Virginia Division of Tourism and the Collaborative for the 21st Century Appalachia partnered to identify some of the best “can’t miss” eateries across the state.
