3	Raleigh Co. Community Action	<u>907,706</u>
Total Award:		\$17,640,000

Justification for recommendation:

1. Project met the national objective identified in the requirements of HERA Section 2301(f)(3)(A)(i). Priority was given to applications that targeted the 25% set-aside criteria.
2. Project will have maximum effect in stabilizing neighborhoods in the areas of greatest need. (HERA Section 2301(c)(2))
3. Project demonstrates "hammer ready" and can be implemented within the time limits imposed by the NSP requirements including the maximum 18-month requirement between HUD's signing of the NSP grant agreement and the time the NSP funds are used. (HERA Section 2301(c)(1))
4. Development Team demonstrated excellent capacity to manage and complete project. (HERA Section 2301(c)(1))
